

Evaluating Circles of Evaluation

For each Circle of Evaluation on the left-hand side, write the code for the Circle on the right-hand side

| | Circle of Evaluation | Code |
|---|---|------|
| 1 |  <p>A circle with a horizontal line. Above the line is a plus sign (+). Below the line are the numbers 4 and 5.</p> | 9 |
| 2 |  <p>A circle with a horizontal line. Above the line is a multiplication sign (*). Below the line are the numbers 7 and 6.</p> | 42 |
| 3 |  <p>A large circle with a horizontal line. Below the line are two smaller circles. The left circle has a horizontal line with a multiplication sign (*) above it and numbers 2 and 3 below it. The right circle has a horizontal line with a plus sign (+) above it and numbers 1 and 0 below it. A minus sign (-) is positioned above the space between the two smaller circles.</p> | 5 |
| 4 |  <p>A circle with a horizontal line. Below the line is a smaller circle with a horizontal line. The inner circle has a plus sign (+) above it and numbers 5 and 8 below it. To the right of the inner circle is the number 12. A minus sign (-) is positioned above the inner circle.</p> | 1 |
| 5 |  <p>A circle with a horizontal line. Below the line is a smaller circle with a horizontal line. The inner circle has a multiplication sign (*) above it and numbers 7 and 8 below it. To the right of the inner circle is the number 4. A division sign (/) is positioned above the inner circle.</p> | 14 |
| 6 |  <p>A circle with a horizontal line. Below the line is a smaller circle with a horizontal line. The inner circle has a division sign (/) above it and numbers 6 and -2 below it. To the right of the inner circle is the number 12. A multiplication sign (*) is positioned above the inner circle.</p> | -36 |
| 7 |  <p>A large circle with a horizontal line. Below the line are two smaller circles. The left circle has a horizontal line with a multiplication sign (*) above it and numbers -2 and 3 below it. The right circle has a horizontal line with a division sign (/) above it and numbers 10 and 2 below it. To the right of the right circle is the number -3. A minus sign (-) is positioned above the space between the two smaller circles.</p> | -8 |
