

# The Shape of the Animals Dataset

Describe two of the histograms you made from your dataset.

1) I made a histogram, showing the distribution of \_\_\_\_\_ pounds \_\_\_\_\_ for \_\_\_\_\_  
column in your dataset  
animals from the shelter  
your subset, e.g., "fixed dogs from the shelter"

2) I made a histogram, showing the distribution of \_\_\_\_\_ for \_\_\_\_\_  
column in your dataset  
your subset, e.g., "fixed dogs from the shelter"

3) What do you Notice and Wonder about these histograms? What shape do they have?

What do you NOTICE?	What do you WONDER?
