

# Case Study: Ethics, Privacy, and Bias

My Case Study is \_\_\_\_\_

1) Read the case study you or your group was assigned, and write your summary here.

---

---

---

---

---

2) Is this a good thing or a bad thing? Why?

---

---

---

---

---

3) What are the arguments on *each* side?

*Data Science used for this purpose is good because...*

---

---

---

---

---

*Data Science used for this purpose is bad because...*

---

---
