

Creating Circles of Evaluation from Arithmetic Expressions

For each math expression on the left, draw its Circle of Evaluation on the right.

| | Math Expression | Circle of Evaluation |
|---|-------------------------------|--|
| 1 | $4 - (6 - 17)$ |  |
| 2 | $25 + 14 - 12$ |  |
| 3 | $1 + 15 \times 5$ |  |
| 4 | $\frac{15}{10 + 4 \times -2}$ |  |
