Converting Circles of Evaluation to Arithmetic Expressions

For each Circle of Evaluation on left, write the Arithmetic expression on the right

For each Circle of Evaluation on left, write the Arithmetic expression on the right		
1	Circle of Evaluation / 10 * 2 + 3 1	Arithmetic Expression $\dfrac{10}{2 imes(3+1)}$
2	5 20	$\frac{5}{20}$
3	+ / / / / / / / / / / / / / / / / / / /	$(5 \ \times \ 6) + \frac{7}{3}$
4	* 4 + -9 8	$4 \times (-9+8)$
5	- * 8 7 12	$(7 \times 12) - 8$
